Rhodos

God allowed me to visit Rhodes again. Those who knew of the revelations invited me to meet others. People listened, understood and praised the Lord for His Mercy. Many got private messages from the Lord. The group got bigger per day, many returning to God, praising Him.
I spent my days meeting people, giving the messages, converting and healing was abundant. Those who wished to follow the program of visiting Churches and Chapels did so with me, we went even out of town to Chapels on the hills.
Pater Yanni announced the revelations in his Church, to all attending, that was on February 24th, at Sts Anaryiroi, in the afternoon on the same day I was invited to St. Nicola Church and Pater Vassili allowed me and the whole group who knew and followed the revelation (around 12 ladies, their husband who also follow were at work then) to announce it in his Church and one of the ladies read one of God's messages from book 8.
May God work in them now.
